ABOUT ME

Football Scout and Football Data Analyst from Romania with experience across scouting, football data and performance analysis since 2022. Passionate about continuously developing my understanding of the game and approaching player evaluation with an open and analytical mindset. I enjoy breaking down every phase of the game in detail, understanding the context behind players' decisions and identifying qualities that are transferable to a higher level of football.

PROFESSIONAL EXPERIENCE

Volunteer Scout | Romanian Top-Flight Club 2022–2024

- Produced individual player scouting reports.
- Built the foundations of my player evaluation and scouting methodology.
- Gained two years of practical scouting experience through regular player analysis.

Football Data Analyst | UK-based Football Company 2023–Present

- Work on a freelance basis, providing high-quality football data and analysis.
- Deliver accurate and consistent work while meeting strict deadlines.
- Maintain high standards of quality across multiple football competitions.

Volunteer Youth Video Scout | Ajax May 2025–Present

- Produce individual player reports and full match reports across youth competitions.
- Analyse players from U12 to U19 level, focusing on talent identification and long-term potential.
- Evaluate players' technical, tactical, physical and psychological attributes through video analysis.

EDUCATION & PROFESSIONAL DEVELOPMENT

- 360 Scouting Academy (Apr 2026–Present) – Completed Quarter 1; produced screening, full match and in-depth reports; finished 2nd in the Quarter 1 Scouting Competition.
- Barça Innovation Hub – Football Tactical Analyst Certificate
